## **COVID19 restrictions and directives**

Following the COVID-19 developments in the past couple of days, Brisbane Pride Incorporated are closely monitoring the updates.

Given we are approximately one month away from the Brisbane Pride Festival Launch, the planning and implementation of the festival will be guided by conversations with Queensland Health and other agencies to ensure that the health and safety of all people is considered and consistent with government directives.

Brisbane Pride Incorporated will continue to monitor COVID-19 updates and work closely with these agencies in relation to the Brisbane Pride Festival in September 2021.

Lockdowns can be challenging and isolating, we encourage LGBTIQ+ people and communities to reach out to safe accessible services such as

- *Counselling and Support, Queensland Council for LGBTI Health, 07 3017 1777*
- *Diverse Voices 3.00pm – 12.00pm everyday on Webchat or phone 1800 184 527*
- *Yarns Around the Fire Online Social Support, 2Spirits, Monday evenings 7.00pm – 8.00pm Phone 07 3017 1777 to register and receive links*

Keep Our Communities Safe and Proud!

Best regards,
