

### STATEMENT - BRISBANE PRIDE FESTIVAL FAIR DAY 2021

On Tuesday 5 October, the Brisbane Pride Incorporated committee met to discuss the postponement of Fair Day. Brisbane Pride Fair Day event Queensland's largest LGBTIQ+ event, bringing many attendees to celebrate Pride collectively.

The Brisbane Pride Team are a 100% volunteer committee with a passion to deliver major LGBTIQ+ events in Queensland. We have been working around the clock to ensure we manage the health and safety of all attendees at this major event; and to ensure that we implement all Fair Day operations in a safe and well managed way that aligns with all restrictions and government directives.

We are extremely proud to announce that the Brisbane Pride Festival Fair Day will now take place on **Saturday 30 October** at our spiritual home New Farm Park.

We anticipate providing an update in relation to the Rally and March separately in the next week. This activity requires further discussions with key stakeholders to ensure all Rally and March operations are implemented safely. Stay tuned for further updates on the Rally and March at [www.brisbanepride.org.au](http://www.brisbanepride.org.au)

We look forward to celebrating with all our LGBTIQ+ community members, families, groups, and organisations.

Pride celebrations are made visible by our eagerness and united approach to amplify the voices and recognition of LGBTIQ+ Sistergirl and Brotherboy communities, peoples, and allies. Together, let's make this a safe Fair Day for all attendees.
